

Chinese Zodiac Missing Sounds

Look at the animals. Can you say what animals they are? Fill in the missing sounds for each animal in the Chinese zodiac.

The diagram features a central red and gold circular emblem with a traditional Chinese knot design. Surrounding this emblem are 12 circular frames, each containing an illustration of a zodiac animal. Lines connect these frames in a circular path. Outside the circle are 12 yellow rounded rectangular boxes, each containing a partial sound or a blank space for a sound. The animals and their corresponding sound boxes are as follows:

- Top: Two empty boxes.
- Top-right: **o_**
- Right: **_iger**
- Bottom-right: **_abbi_**
- Bottom: **_ra_**
- Bottom-left: **_ake**
- Left: **_se**
- Top-left: **r__ster**
- Left: **_key**

The animals shown in the circles, starting from the top and moving clockwise, are: Pig, Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Goat, Monkey, Rooster, and Dog.
