Dear Parent/Guardian,

Your son/daughter has shown an interest in receiving percussion tuition and I look forward to providing tuition next term. Please be aware that certain terms and conditions apply:

All fees are payable in advance before the term's lessons can commence. Lessons continue indefinitely or until notice is received to cease lessons. Should you wish your child to stop lessons notice must be given in writing on or before the following dates in each year:

June 1st – to cease lessons at the end of Summer Term.

November 1st – to cease lessons at the end of Autumn Term.

February 1st – to cease lessons at the end of Spring Term.

If notice is not given in accordance with these dates, parents/guardians will be responsible for the tuition fees for the whole of the following term. Please note that prices are subject to change.

You have the choice of either a 20 or 30 minute individual lesson. If numbers allow and you wish to have a 30 minute group lesson please contact me directly. The number of lessons will vary according to the length of term.

In the event of a foreseen absence, please encourage your child to see their drum tutor in advance, alternatively you can contact me by telephone or e-mail so that teaching time is not wasted. Lessons missed as a result of tutor absence will be made up during the same term or credited to the following term's account. Lessons missed for any other reason will be charged, although every effort will be made to reorganise the time.

Practice between lessons is expected, so please encourage your child to practise regularly.

Finally, if you have queries regarding any of the details above, please do not hesitate to contact me.

Yours faithfully

Ben Waring (Devon Drum School)
