How many in total.
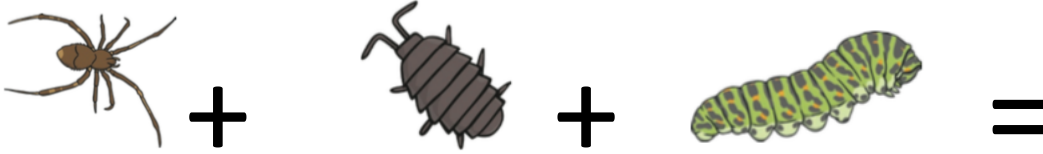

Count how many of each and write an addition sum to find the total. *Use a number line to help you count on.*
 + + =

_____ + _____ + _____ = _____

 + + =

_____ + _____ + _____ = _____

 + + =

_____ + _____ + _____ = _____

 + + =

_____ + _____ + _____ = _____

 + + =

_____ + _____ + _____ = _____

You could make some of your own addition sums like these on the back.
