

Friday 12th February Year R - Home Learning

Share the love today

PE – Cosmic kids yoga session (There are a few messages at the start, so you might want to skip to start at 5 minutes) https://www.youtube.com/watch?v=cU_T7lmw6Fo

Phonics- Live lesson at 10am. See you then.

Maths- complete the matchbox challenge. It will be great fun to see how many different things you can fit into a small box.

Using a pack of playing cards, select the hearts 1-10. Find the pairs that add together to make 10.

You could also add two cards together (like we did with the dominos last week)

Literacy- write a message, card or email to someone special.

If you want to send a message to a classmate, you can send me the photo and I will send it on for you.

Story- <https://www.youtube.com/watch?v=gPjtnWMaYh4> Julia Donaldson reading Paula the Vet

Screen Free Afternoon- with a valentine's theme.

Inspired by the art of Kandinsky, you could make your own 'heart art'

You could do some baking to enjoy with your loved ones.

Heart toast, pizzas, cupcakes, biscuits or maybe something red or heart shaped.

Enjoy a dance and singalong to songs with a love theme. I wonder which you will choose, here are a few ideas:

Friday I'm in love- The Cure

All you need is love -The Beatles

Love is all around - Wet wet wet

Signed, sealed, delivered, I'm yours – Stevie Wonder

You will see there are some other craft ideas on the class webpage too.

I have also included a reading ditty on the class webpage for you to practise over the half term.

Happy Half Term Everyone!
