

## Tuesday 23<sup>rd</sup> February Year R - Home Learning

**Maths-** Complete this activity to practise finding different ways of representing the same amounts (just like we were thinking about last half term) <https://gregtangmath.com/numtanga> select level 3, 1-10 match

**Phonics** - Live lesson at 10am.

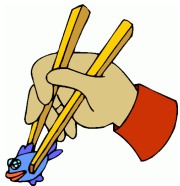

**Literacy-** Following on from yesterday's learning, today you can choose some photos and write about how Chinese New Year is celebrated. You might want to watch the videos from yesterday again.

**PE** – We learnt that during Chinese New Year celebrations there are dragon and lion dances. Watching these videos will give you ideas before you make up your own dance. You might want to use a sheet or towel to be a dragon or lion or you may want to pretend you are the animals from the 'great race' story. You could add bells, drums or Chinese music to our moves.

<https://www.topmarks.co.uk/ChineseNewYear/DragonDance.aspx> watch a real dragon dance  
<https://www.bbc.co.uk/cbeebies/watch/lets-go-club-chinese-lion-dance?collection=chinese-lunar-new-year>  
learn some moves

**Craft-** There are instructions on the class webpage to make your own Chinese lantern and/or snake. Practise your cutting skills.

**Funky Fingers-** Using chopsticks or tweezers (or tongs) can you pick up certain foods and place them in bowls? You could try spaghetti, noodles, pasta, rice.

**Storytime-** This story is called Cleversticks. It will give you a good idea about using chopsticks. Can you think of things that you are good at? <https://www.youtube.com/watch?v=cWg-b8kh-TE>
