You can then complete the activity on the class webpage.

First, you can match the 10 grid pictures to the correct numeral.

Secondly, find the numeral that is needed to make your grid picture to 10  
**For example, 3 counters and 7 to make 10**

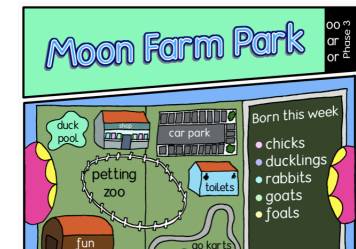

**Phonics-** Live lesson at 10am.

**Literacy** – There is a phonics comic to read and enjoy. Have a good look for all those special friends.

**Cookery-** Have a try of some Asian themed food. You might like to cook some of your own such as a raita, rice, stir fry, noodles. This story is about making a Korean dish, Bee-Bim Bop <https://www.youtube.com/watch?v=qEnYQRisQyA>

For a screen free afternoon, you can select a fun activity of your own choice. Maybe a board game with your family, a muddy walk, playing some sport, crafting or an activity you have enjoyed from your home learning so far. I wonder what you will choose?

**Story-** I have recorded you a story '**All are welcome**', which is on the class story blog:
